## **DETAILED ACTION**

### ***Election/Restrictions***

1. This application is in condition for allowance except for the presence of claims 8-11 directed to an invention non-elected with traverse in the reply filed on 5/15/2007.

Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144).

Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

2. Applicant's election with traverse of claims 1 and 3-7 in the reply filed on 5/15/2007 is acknowledged. The traversal is on the ground(s) that the search for both inventions can be carried out without serious burden. This is not found persuasive because the two groups present vastly different *claimed* inventions for the reasons set forth in the previous office action and represent a serious burden on the examiner.

The requirement is still deemed proper and is therefore made FINAL.
